“The biggest impact the BIA has had is being an advocate for the community. It’s just nice to know that there is an organization dedicated to making life better for everyone in Ballard. That’s why our Homeowners Association Board supports the BIA renewal.” – **Christine Ackerman, Hjarta Condominium HOA**

“

“The BIA was a critical leader during the pandemic and worked tirelessly to help ensure our businesses were able to survive during the shutdown and begin to thrive again once our restaurants and shops reopened for business. We need this organization working on our behalf to make sure Ballard remains an amazing place to live and visit and that’s why I support its renewal in 2024.” – **Tommy Patrick, Owner, The Ballard Cut**

“

“The Metropole Condominium Homeowner’s Association Board voted to support the BIA renewal. We’ve been appreciative of the small business promotion and all the behind-the-scenes work the BIA has done to improve the area for our residents as well. We look forward to the Ballard Commons reopening and the addition of a children’s play area that the Ballard Alliance spearheaded.” – **Nancy Kuta, Metropole Condominium HOA**

“It is amazing to me to see how the small and nimble BIA staff can accomplish so much: clean streets, homelessness outreach, amazing public art projects, and a series of incredible events that support small business. As business owners, we are extremely appreciative of all the work the BIA does for our community.” – **Kristie Kisbye, Owner, Annie’s Art & Frame**
